

Help make a U.S. Sailor's visit memorable

Would you like to make a Hong Kong port call for an American sailor extra special?

Consider becoming a host family for the American Women's Association "Meals in the Home" Program. This program gives you the opportunity to host U.S. sailors for lunch or dinner, either in your home or at the American Club, when American Naval ships visit Hong Kong.

Sailors volunteer to be a part of this program, and there are strict standards to be approved for participation. For safety reasons, the military requires that all men and women on shore leave travel in pairs, so you must host a minimum of two people. For the same reason, there must be a minimum of two adults present at the dinner. Open to everyone.

If you are interested in being on a list of potential hosts please email mealsinthehome@gmail.com. Just sign up to receive emails about upcoming ship visits. Open to everyone.
